LET US WOW YOU

Established in 1986, Best Events is celebrating its 35th year of serving the Stateline area. Directed by Rodney Oksuita, Best Events commitment to quality and excellence has proved to be a hallmark of their success. Best Event's extensive inventory of party rental equipment can provide all of the equipment to facilitate your event function from start to finish; including tents, tables, chairs, staging and flooring, china and glassware, kitchen equipment, catering equipment, pipe and draping, linens, skirting, event lighting and so much more. Our event planners are here to assist with event logistics with the aid of our 3-D CAD services to be assured that you have the space and appearance that truly suits your needs.

Best Events also provides a wonderful selection of props and theme decorations available to suit any budget. We have a wide variety of wedding decoration options available, which range from the simple to extravagant. Not enough to choose from? We also do custom decoration services, so let your imagination wander and let us help guide you there. In addition, we also offer a great number of custom and standard decorative packages as well as individual props to accommodate your next theme function, including tropical, country/western, national themes, and many more.

As your full service caterer and event production company we will help you plan the perfect event. From the smallest to the most grand of events, our commitment to detail will make your event a success from beginning to end. Throughout your celebration, you can enjoy yourself while you and your guests savor the experience of the Stateline's premiere event service provider! Whatever you can imagine, BEST EVENTS creates!

TENT RENTAL INFORMATION & AGREEMENT

Please note carefully

TERMS & CANCELLATIONS

At time of reservation, a 50% deposit of the total rental amount of tent is required. This deposit allows us to pull the requested items out of inventory for the dates provided by the host. 50% deposit is non-refundable less than three weeks out from expected delivery date.

Pricing is based on availability. Sub contracted tents may increase price.

SITE PREPARATION

Host must ensure site is ready, (lawns mowed, furniture moved, vehicles moved, etc...) before the crew is scheduled to arrive. Renter must ensure there is a 10 foot clearance all the way around the tent to allow for securing the tent.

*Tents installation subject to weather & ground conditions. Best Events not required to install tents or equipment at any time when rain, lightning, high winds, etc. make work unsafe, nor shall Best Events be required to install tents in an area they regard as too muddy, dirty, unsafe or unsuitable for installation.

*Location of tent area assumed to be suitable for delivery truck access. Best Events is not liable for damage to grounds around tent install area (due to soft ground, weather, etc.). If direct vehicle access is not available for tent delivery, a manual hauling or walk-in fee will apply. **On-site inspections available for pre-paid fee.

Host Responsible for calling Diggers Hotline 7-10 Business days prior to tent install. A confirmation number is to be called into Best Events to confirm. Failure to do so, may result in tent NOT being installed for event, with no refund.

WI: (800) 242-8511, or IL: (800) 892-0123 confirmation # _____

Host (or representative) required to be on-site or mark location where tent will be setup. Otherwise setup will be determined by install crew & Best Events office. Additional fees will apply for relocation of tent, labor & setup fee **if time allows & available

On-site Contact: _____ Cell #: _____

TENT POLICIES & INFORMATION

Absolutely no pins or tape is to be placed on tent walls.

By their very nature, tent & canopies are temporary structures that are NOT designed to withstand severe/extreme weather conditions, or provide protection in emergency situations. It is also understood that by the nature of tents (which often have laced together seams); there may be some leakage during rains.

All renters' personal items must be out of tent on scheduled pickup date. Any delay of crew for tear-down, will result in additional fees.

*Sub-flooring is required for outdoor dance floor installations.

DANCE FLOOR INSTALLATION INFO

Rarely do more than 50% of guests dance at any one time. On average, each couple requires 8 sq. ft. of room, or 4 sq. ft. per person. If dance floor sizing impedes on the square footage your tent has to offer, consider either upgrading the size of your tent, or using the dance floor for buffet and cake tables, which can later be removed before your band or DJ begins.

All Rates Include Installation.

All panels are 4' x 4' and have 16 sq. Ft. of surface available for dancing.

All dance floors comes complete with beveled trim.
